

Innovation for Sustainable Future

Date:	Friday, May 10, 2019
Venue:	University of Prishtina “Hasan Prishtina”, University’s New Library, Kosovo

Short summary	<p>On May 10th, the International Business College Mitrovica will host the Innovation Conference at University of Prishtina “Hasan Prishtina.”</p> <p>The Innovation Conference will bring together key actors from the Higher Education sector to discuss the societal challenges in Kosovo and across Europe. The conference specifically addresses the changing and expanding mission of HEIs in addressing labour market needs and tackles the existing quality and skills gap, as well as addresses international and national internship opportunities to improve student employability.</p>
Objectives	<ol style="list-style-type: none"> 1) Extension of outreach to communities and in particular to business communities; 2) Promoting and Positioning of professional services of HEI in Kosovo in the established T2P centres; 3) Input for HEI academic update curricula based on the market needs; 4) Promote the experts’ network to future members. 5) Media/PR coverage for promotion of T2P; 6) the positive tendency of economic development assistance for Kosovo and the region 7) the lack of a conference on economic development subjects in WB Region;
